

PHILADELPHIA ANDROPOGON'S WAY MAP

Printing and Folding Instructions

- Print PDF Actual Size at 11x17.
- Click on printer properties.
- Set document to print with 2-sided printing and select short edge binding.
- Print as many copies as you want!
- Fold your maps (see diagram at right):
 1. First, fold the map in thirds lengthwise using a Z-fold. Make sure that “Andropogon’s completely biased guide to Philadelphia” is on the bottom of the front when you’re done.
 2. Second, fold the map in half, keeping “Andropogon’s completely biased guide to Philadelphia” on the bottom of the front when you’re done.
- Go forth and conquer!
